## PGA Professional Instruction

The Academy at Copper Point features a team of six PGA Professionals, each offering their own unique skills and talents. These experienced, qualified Professionals assess your skill and ability, provide personal feedback for each student and build the confidence you need to take your game to the next level.

With a combination of their skills and the latest in instructional technology and innovation, they will develop an improvement program tailored specifically to your needs. Copper Point's PGA Professionals are dedicated to delivering results and helping you get the most from your golf experience.

### PGA Golf Professionals

- Nike Golf Advisory Board member
- Bachelor of Education - University of B.C.

#### **Brian Schaal / General Manager**

- 18 year member with the CPGA
- Certified Class A club repair
- Graduate of San Diego Golf Academy

"With an astute eye on the fundamentals and a profound talent for finding and capitalizing on the few things I did right, Dale simplified my golf swing – he slowed me down, calmed me down and picked me up when I got off track. Dale's teaching style is elastic and fluid; he tailored each lesson specifically for my needs."

*Patrick Hasburgh  
Copper Point Golf Academy student*

## Practice Facility and Retail Center

Our exceptional Practice Facility features a double-ended driving range with natural grass stalls, sand traps and a putting green. Combined with video analysis technology and the latest in fitting systems, it's the perfect setting for you to practice and perfect every type of golf shot.

Take a test run on some of the best clubs available before you buy. The Retail Center at The Academy carries a vast selection of quality golf equipment and accessories including Nike, Adams, TaylorMade, Callaway and Ping. Come and demo our equipment and see the results it can make in your game.

## Nike 360 Fitting System

Copper Point, an exclusive partner with Nike Golf, is pleased to introduce the Nike 360 Fitting System. This system is used to fit many professional golfers and combines Z-Fit components with the Nike Launch Monitor to allow golfers optimal results. Proper club fitting is key to maximizing your golf swing.

## Nike Saturdays

Representatives of Nike Golf and Copper Point's PGA Professionals will host special fitting days on the second Saturday of each month.
